● ABOUT ME

An accomplished HCIE Datacomm expert with over 20 years of experience, I am dedicated to delivering high-quality ICT education at the university level, specializing in the design, deployment, and optimization of advanced network solutions. My passion lies in bridging the gap between academic learning and industry skills, ensuring that students are industry-ready and equipped with practical expertise aligned with WorldSkills occupational standards.

● WORK EXPERIENCE

01/08/2024 - CURRENT Nairobi, Kenya

IT TUTORIAL FELLOW ZETECH UNIVERSITY

Deliver lectures and tutorials in IT subjects, including data communication and networking, to undergraduate students. Support student learning through mentorship, assessments, and development of course materials. Assist in research activities and collaborate with faculty to ensure alignment with academic standards and industry practices

01/11/2020 - CURRENT Nairobi, Kenya

HUAWEI CERTIFIED ACADEMY INSTRUCTOR UNIVERSITY OF NAIROBI ACADEMY SUPPORT CENTER

- Deliver comprehensive training on advanced networking concepts, including routing, switching, and network security, to students preparing for HCIA and HCIP certifications.
- Facilitate hands-on labs and workshops, ensuring alignment with Huawei standards and practical readiness for Datacomm certification.

04/01/2024 - CURRENT Nairobi, Kenya

PART-TIME ICT LECTURER MULTIMEDIA UNIVERSITY OF KENYA

- Teach ICT courses, focusing on data communication and networking, while implementing strategies that increased student pass rates by 15% over two semesters.
- Mentor students towards achieving industry certifications, resulting in a 20% increase in HCIA and HCIP certified graduates

04/09/2004 - 04/09/2018 Kisumu, Kenya

ASSISTANT LECTURER IN UNIVERSITY KCA UNIVERSITY

- Teach ICT courses, focusing on data communication and networking, while implementing strategies that increased student pass rates by 15% over two semesters.
- Mentor students towards achieving industry certifications, resulting in a 80% increase in CCNA and Cybersecurity certified graduates

● PUBLICATIONS

2023

[Social network recruitment technology adoption framework in higher educational institutions in Kenya](#)

The success of the organization depends on effective recruitment and selection system. Looking at the Kenyan labour market, there are still unfilled vacancies and organisations have problems regarding their staffing. Recruitment by Social Networking Sites is an aspect of a new topic and there is a lack of studies about it.

● VOLUNTEERING

02/02/2022 - CURRENT Nairobi

Palindrome Mental Health Services

As a sponsor and mentor in AA, I share my experience, strength, and hope through daily messages on the Sober app, guiding others on their recovery journey. I emphasize the importance of relying on a Higher Power, embracing the mantra "Thy will, not our will, be done" to inspire transformation and spiritual growth.
